**Use of data:** Vernon College has hired a new Dean of Student Services, Director of Student Activities, and Athletic Director. These three positions have worked both Spring 2016 and Summer 2016 to revamp and reinvigorate Student Activities. 2016-2017 will be a rebuilding year for both Student Activities as well as intramural programming. Vernon College will also begin offering student activities at our Wichita Falls locations in 2016-2017.

**How associated to Student Success?** Popular literature continues to show that persistence and completion rates increase with increased student engagement. On campus activities provide a positive and safe way for students and employees to meet outside the classroom for fellowship.
