2017-2018

Title: DWI Intervention Annual Report

Date of completion: 7/3/2017

Highlights of data:

There were 56 total students enrolling in the DWI Intervention program. 54 of those students successfully completed the program. There were four Intervention courses offered from September 1, 2016 to August 31, 2017. Two instructors are listed as viable instructors for this state required course. Four English courses were offered, zero Spanish/other language courses were offered for 2016-2017. All 56 certificate numbers for specific students are provided in this report. We must also report the listed instructors with number of courses taught to the state.

Linda Kalski – 4 courses

Randy Neff – 4 courses

This program annual report is specifically for program certification #DWII 791.

Use of data:

To certify with the Offender Education Group; Texas Department of State Health Services information needed for successful completion for students record keeping and reporting for the state of Texas.
