## Bling it On! Jewelry-Making Camp

Looking for a creative way to keep your child engaged? In this fun two-week jewelry-making class, kids will use polymer clay to design their own earrings, charms, and more. It's hands-on, a little messy (in the best way), and full of opportunities to get creative. Each piece is as fun to make as it is to wear! Best of all, our instructor will handle the curing process, so each piece is durable and ready to show off. Perfect for kids who love crafting, colors, and making something all their own.

**June 2-12 • 2:30PM-4PM • \$80**

**June 30 - July 10 • 2:30PM-4PM • \$80**

**For Ages 8 & Up**

KIDS 1031 CE11 & CE12, MTWTH, Noles, 8 Sessions, RM 716

## Raising the Bar! Weightlifting Camp

Ready to help your child build confidence, strength, and healthy habits?

This beginner-friendly weightlifting class is designed for students to learn the basics of strength training in a safe and supportive environment. The class is led by our local high school Regional Gold Medalist and National Competitor, Leah Sanchez, alongside her dad and coach, Louie Sanchez! Together, they'll guide students through proper form, technique, and fun strength-building workouts tailored for young athletes. No pressure — just progress, encouragement, and a whole lot of high fives.

**June 23-26 • Ages 7-10 • 5:30PM-8PM • \$55**

Did you know? Sculpting with polymer clay is not just an artistic endeavor – it's also a valuable opportunity for fine motor skill development! As your child manipulates the clay and refines their techniques, they'll enhance their dexterity and hand-eye coordination in a fun and engaging way.

## Iced Tie-Dye

Say goodbye to boring, monochrome clothing and say hello to the exciting art of tie-dye, where every twist and turn of the fabric will yield a unique burst of color! Our instructor will guide your child through the tie-dye process, from selecting colors and patterns to learning different techniques. They'll learn the art of folding, twisting, and binding fabric to create wearable masterpieces!

Each student will get to create **four** tie-dye shirts that they can keep and show off to their friends!

## Food Smarts

Offered in partnership with the Wichita Falls Area Food Bank!

Food Smarts combines conversations around food and nutrition with practical skills to build confidence in the kitchen for students 3rd grade and older. Students will learn how to eat a balanced variety of foods, opt for whole foods, move their body in enjoyable ways and nourish themselves with compassion.

This institution is an equal opportunity provider, funded by USDA's Supplemental Nutrition Assistance Program -- SNAP.

**July 21-24 • 3<sup>rd</sup> Grade & up • 2PM-3PM • FREE**

KIDS 1040 CE01, MTWTH, McGowan, 4 Sessions,  
RM 605

Please note: Donations (though not necessary) can be made to the Wichita Falls Food Bank.

Also, if your student would like a Kids College shirt for this class, they can be purchased separately for \$10.

## CODE BREAKERS

Calling all future coders, programmers, & designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day, and be on your way to becoming the next tech star! Whether you want to be a Silicon Valley CEO or the high school student who just made \$1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. Students will work in pairs or teams for most of the program.

**June 23-26 • Ages 8 & up • 9AM-12PM • \$120**

KIDS 1037 CE11, MTWTH, BRP, 4 Sessions, RM 509

Discover the Lua coding language while designing experiences in ROBLOX®, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun! New developers will learn to use Roblox's Studio software to reimagine the popular game genres with your own custom code! Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

Students will work in pairs or teams for most of the program.

## Can't Stop the Feet: Dance Camp

Whether your child loves to twirl, leap, or bust a move in the living room, this dance class is the perfect outlet for their energy and creativity. The class blends fun choreography with beginner-friendly technique—and yes, they'll even learn a few of those viral TikTok dances (safely and age-appropriately, of course!). It's all about building confidence, rhythm, and having a blast.

**July 7-10 • Ages 5 & up • 12PM-2PM • \$60**

KIDS 1043 CE11, MTWTH, Hall,  
Vernon College Fitness Center - Studio

## Pitch Perfect: Softball Camp

Designed for kids of all skill levels, this camp focuses on hitting, fielding, base running, and teamwork. Coach Sanchez will guide your child through drills and game play. Whether they're new to the sport or ready to take their skills to the next level, they'll leave the camp feeling more confident and ready to play their best.

Special thank you to Legacy High School Softball for partnering with us and allowing the use of their softball field, batting cages, and facilities!

**June 16-19 • Ages 10 & up • 5:30PM-8PM • \$55**

KIDS 1041 CE11, MTWTH, Sanchez,
