Certified Medication Administration For the Nurse Aide

The **Medication Aide** program is a **marketable skills program** that generates an **institutional certificate**. **Certified Nurse Aides** and **non-licensed direct patient care staff** gain knowledge essential to prepare and administer designated medications accurately and safely.

Student Requirements:

To be a medication aide in a licensed Texas Facility, you must:

- Read, write, speak and understand English
 - Be at least 18 years old
- Be free of communicable diseases, and in suitable physical and emotional health to safely administer medications
- Be a high school graduate or have a high school equivalency

Applicants must be employed as certified nurse aides listed on the Texas Nurse Aide Registry in active status and currently employed in a facility licensed under Texas Health and Safety Code Chapter 242 on class start date or employed on class start date as non-licensed direct care staff in a facility licensed under Chapter 247; a state supported living center or ICF/IID and have 90 days previous employment in the year preceding the class start date.

Hospitals and Home Health agencies DO NOT qualify as employers. To ask if your facility qualifies, call the Texas Medication Aide office in Austin at 512-438-2025.
