

FAST TRACK CAREERS

Vernon College

VERNON • WICHITA FALLS

Continuing Education

Registration will begin on July 1, 2019, and end on August 2, 2019.

Phlebotomy Certification

The *Phlebotomy Certification* program is a *marketable skills program* that generates an *institutional certificate*. Upon successful completion of *Phlebotomy I & II*, you will have the opportunity to take a national certification exam.

PHLEBOTOMY I

Students engage in 48 hours of instruction and training to draw blood on manikin arms and hands.

REQUIREMENTS:

Minimum age 18 with completed High School Diploma or High School Equivalency

No criminal convictions or probation

Communicate effectively/instruction provided in English

Attendance is mandatory - if you miss more than two class meetings, you may be dismissed from the course and therefore will not pass the course

Manual dexterity / Good hygiene & health

No artificial/sculptured nails or nail tips

Student must provide current shot records at time of enrollment, as required by the DEPARTMENT of STATE HEALTH SERVICES (MMR, TD, Varicella, TB and Hepatitis B (Series of 3))

PHLEBOTOMY II

The students engage in a minimum of 48 hours of classroom instruction and 120 hours of clinical (must be available during daytime hours), which require dedication due to the length of time the student is developing the skills necessary for drawing blood at various clinical sites.

REQUIREMENTS:

Successful completion of the Phlebotomy I course

Navy Blue Scrubs & picture ID badge
