## Vernon College

### Cyber Security

#### Cybersecurity Law #2

Your Password Should Not Be Simple

Passwords should not be easily guessed or something familiar. The best passwords use a combination of uppercase letters, lowercase letters, numbers, and special characters. Also, try not to write down your passwords on scraps of paper that cannot be secured.

### VC Graduation Ceremonies Sign Up

Please remember to sign up for one of the graduation ceremonies using the link below so we know how many seats to reserve at each ceremony. [SIGN UP HERE!](#)

Vernon College will hold two (2) graduation ceremonies on **Saturday, May 12, 2018.**

1. **10:30am graduation** for students other than ADN (RN).
2. **2:00pm graduation** and pinning for ADN (RN) students.
3. In order to know how many seats to save at each ceremony, we have developed a signup scheduler so that you can choose which ceremony you will be attending.

While you are certainly welcome to attend all the above ceremonies, your attendance at **only one** of the graduation ceremonies of your choice (10:30 am or 2:00 pm) is required (faculty fully robed and properly "hatted" no less). Hopefully, we will have a good split of personnel between the two ceremonies.

### Summer Hours

Beginning Monday, May 14 through Thursday, July 26, 2018  
Monday - Thursday 8:00am -5:30pm  
Friday - Closed

### LIBRARY SERVICES

### CERTIFICATION PRACTICE TESTS

Vernon College students can use the library's **Learning Express Library** for help in preparing for their certification exams.

This premier career development resource offers online access to certification practice tests in nursing (NCLEX-RN and NCLEX-PN) and other allied health fields including surgical technology, dental assisting, medical assisting and pharmacy technology. Tests also assist students in preparing for certification in law enforcement, teaching, emergency medical services, cosmetology, and culinary arts. Tests are accessible 24/7 from any Internet connection and include instant scoring with answer explanations!

The database is accessible from the library homepage:

Select **Access to Databases** > **Career Development Resources** > **Learning Express Library**.

View a short [video clip](#) on how to access the tests.
