

2026-27 DEPENDENT VERIFICATION WORKSHEET

Your 2026-27 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In this process, we are required by federal law to compare the information from your FAFSA application with the information provided on this form and your and your parent's tax information. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office. We cannot process your financial aid until verification has been completed. We may ask for additional information.

The provided criteria for “dependent children” or “other persons” mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2026-27 FAFSA. **As a result, the parent should not include any unborn children in the family size.** If more space is needed to add family members, provide a separate page with the student’s name and ID number at the top.

SECTION C: STUDENT TAX RETURN FILERS

Instructions: Complete this section if the student filed or will file a 2024 IRS Income tax return. As part of federal student aid eligibility, students will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student’s FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2024 income tax return information for the student was not transferred via the FA-DDX and considered verified, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

A 2024 IRS Tax Return Transcript may be obtained through:

- Get Transcript by MAIL** – Go to www.irs.gov, click “Get Your Tax Record.” Click “Get Transcript by Mail.” Make sure to request the “Return Transcript” and NOT the “Account Transcript.” The transcript is generally received within 10 business days from the IRS’s receipt of the online request.
