The Department of Education flagged your 2018-19 Free Application for Federal Student Aid for unusual enrollment history because you received Pell Grant and/or Federal Direct Loan funds from multiple institution over the last four academic years. You must submit this form and required documentation so that your financial aid eligibility can be determined.

- A. Submit official academic transcripts from all schools attended during 2014-15, 2015-16, 2016-17 and 2017-18. Your unusual enrollment will not be reviewed until all transcripts have been received. These transcripts, if not already provided, must be submitted to the VC Admissions Office at:

VC Admissions Office
4400 College Drive

- B. Academic credit received at other schools.

Mark One:

I received academic credits from all the institutions that I attended during the past four award years (Award years 2014-15, 2015-16, 2016-17 and 2017-18) as confirmed by my official academic transcripts.

I did not receive any academic credits from one or all institutions that I attended during the past four award years. (2014-15, 2015-16, 2016-17 and 2017-18).

If you did not earn any academic credit at a previously attended institution (including VC), you must attach to this form a statement explaining why you failed to earn academic credit. You must submit a separate statement for each of the institution(s) which you attended and failed to earn academic credit. You must attach supporting documentation from a third party (doctor's statement, hospital records, police report, obituary, military orders, etc.) to support your claim.

Each person signing below certifies that all of the information reported is complete and correct. The student and one parent whose information was reported on the FAFSA must sign and date.
