Summer 2026 Pell Grant Review Form

Priority deadline: 05/01/26

Students who attended full-time during the 2025-2026 year and have already received their maximum scheduled Pell award may be eligible for additional Pell Grant funds for the summer. Students who attended less than-full-time during the 2025-2026 year could possibly have remaining Pell eligibility from their scheduled Pell award.

Vernon College offers a number of summer sessions in an effort to be responsive to the needs of the student body. The 2026 summer session will end the 2025-2026 academic year. Students interested in receiving federal financial aid for summer must have completed the 2025-2026 Free Application for Federal Student Aid (FAFSA) and have been awarded financial aid by the VC Financial Aid Office. If you plan to be enrolled in at least 6 credit hours and are interested in a federal student loan for the summer, you will also need to complete the 2025-2026 Direct Loan Change Request form found on the VC Financial Aid Homepage.

Summer transient students are not eligible to receive financial aid at Vernon College.
