The Code of Federal Regulations requires any school participating in an SFA Program to disclose completion or graduation rates, and transfer-out rates for the general student body. The regulations also require schools that participate in an SFA Program and offer athletically related student aid to provide information on completion rates, transfer-out rates, and other consumer information to potential student-athletes, their parents, high school coach, and guidance counselor. The rates must be disclosed for full-time undergraduate students who have been allowed 150% (3 years) of the normal time for completion or graduation from Vernon College (VC), or transferred to another institution. VC is proud to offer graduation rates and transfer-out rates for full-time undergraduate students entering the institution in the fall for the past 5 years.
