Welcome

Welcome to Vernon College residential life. For students to pursue their educational goals, Vernon College offers residence halls. Living on campus provides students with life experiences and the educational benefits of group living. Vernon College is dedicated to this educational experience and providing a safe, comfortable living environment. With these responsibilities in mind, the following policies and procedures have been set up to ensure the safety of the residents as well as to protect the College's property.

Student Responsibility

Code of Conduct

Students are expected to conduct themselves in accordance with generally accepted standards of good behavior and good taste. Standards and procedures encompassing the Code of Student Conduct are considered college policy. The College believes enrollment in Vernon College is an implicit declaration of acceptance on the part of the student of college regulations. It is stressed that all local, state, and federal laws are supported by the College. Being a student does not exempt a person from being a law-abiding citizen.

All student housing residents are expected to become familiar with the Code of Student Conduct in the *Vernon College Student Handbook*. In addition to the Code of Student Conduct, individuals occupying student housing are also prohibited from the following:

- A. Students who harm themselves or any other student is in violation of the Code of Student Conduct.
- B. Inappropriate behavior such as nudity, spectator sex, and any other behavior deemed inappropriate by the Director of Housing and/or Dean of Student Services.
- C. Gambling of any type.

Damages to Room or Common Areas

In order to provide students with the best possible residential experience at Vernon College, the housing and maintenance staff monitor the College's property, including rooms, common areas, and grounds. The student is individually responsible for the cost of replacing or repairing any breakage or damage to his/her room or furnishings or any other on-campus damage for which the student is responsible. The student is responsible for the cost of any extra-ordinary cleaning, replacement, or repair of items in the common areas. At check-out time, the College reserves the right to forfeit the housing deposit due to damages. The resident is responsible for the actual cost of replacement or repair if said cost exceeds the housing deposit. Charges will be evenly assessed to each member of an assigned room in which the student resides in the event the responsible person remains anonymous. A damage charge chart has been provided on page 10 of this Handbook.

Housing Meetings

Students will periodically be required to participate in mandatory Housing meetings. To better benefit from living on campus, the Housing and Student Services staff use this time to inform students of rules and regulations, upcoming student activities, health and safety information, campus updates, and other general housing information.

The deposit will not be reimbursed unless the student has checked out of their room properly.

Alterations of Dorm Rooms

No changes will be made in college housing by the student without written permission from the Director of Student Housing. This includes but is not limited to shelves, partitions, wallpaper, painting, plumbing, heating, and other structural changes, alterations to furniture, or the removal of furniture and its replacement with items owned by the student. The use of nails or markers on the walls, furniture, mirrors, or doors is prohibited. Do not remove locking screws or blinds from the windows. For the safety of the student and to prevent damage to residence hall furniture, stacking/ bunking beds is not permitted. The use of Command Strips is acceptable but incorrectly removing them and causing damages to the wall will result in a fee.

Basement Policy and Care

Vernon College provides a large basement open to student residents for organized study groups, movie nights, games, and social events. Residents are responsible for cleaning the area after use and for any damages. The College reserves the right to prohibit specific residents from using the basement based on misuse or continued failure to keep the area clean. No furniture can be removed from the basement.

Bicycles

The storage of bicycles is not permitted in the resident's room, lobby area, or basement. For the convenience of the housing residents, Vernon College has provided a bicycle rack outside of the main dorm. The resident must provide their lock. Vernon College is not responsible for lost, stolen, or damaged property. (Please see *Care of Rooms and College Liability*)

Cameras

Vernon College Housing utilizes security cameras in designated public and common areas (such as building entrances, exterior perimeters, lobbies, hallways, and the basement) to enhance the safety and security of the residential community. Cameras are not installed in areas with a reasonable expectation of privacy, such as individual bedrooms or bathrooms. All video surveillance operates on a visual-only basis; no audio is recorded. Footage is kept confidential and may be reviewed only by authorized college personnel or law enforcement to investigate potential policy violations, property damage, or criminal activity. Students are prohibited from tampering with any security equipment. Any student who tampers with any cameras will be subject to Vernon College discipline (including possible expulsion) and may be subject to criminal charges.

Care of Rooms and College Liability

The resident is responsible for cleaning his/her assigned room and bathroom. Removing waste materials regularly and keeping the floor clear of obstructions are important health and safety measures expected of every resident. For compliance with health, maintenance, safety, and College housing regulations, the College reserves the right to periodically inspect a student's room with or without notice. All attempts will be made to have the inspections announced in advance and scheduled when one or both residents are available, although some inspections, such as visitation check, drug or alcohol check, etc., may be unannounced. The College shall assume no responsibility for the theft, vandalism, destruction, loss of money, valuables, or other personal property belonging to, or in the custody of, the student for any cause whatsoever. It is the student's responsibility to keep their rooms locked at all times. Each room door has a locking knob as well as a locking deadbolt. Students are encouraged to use both. Students are encouraged to carry their own property insurance.

Check-in/Check-out Procedures

In order to maintain security, the lock will be changed and new keys issued. There will be a charge for the cost of this service. For security purposes, the rooms should be locked at all times. The student shall not alter or duplicate any room or mailbox key. Any student in possession of a duplicate key will be charged for replacing the lock.

CHECK-OUT

The Director of Student Housing or residence hall staff member and the student must complete the check-out form. The student must sign the check-out form and leave it with the residence hall staff. Failure to check out properly and turn in the room key can result in academic records being withheld by the College and will result in forfeiture of the room deposit. If there are damages in excess of the deposit, the College reserves the right to withhold academic records until the damages are paid. Residents who no longer require Vernon College housing need to fill out a Room Deposit Refund Request form at the time of check-out.

Students who do not wish to have a roommate will be given the option to contract for a room as a “single” when space will permit or agree to accept the assignment of a roommate. Consolidation is an effort to fairly achieve maximum use of the student residence center space as well as creating the safest possible environment. If a conflict between the two residents arises, one or both may choose to select new rooms at the discretion of the Director of Student Housing. A student who elects to use a room as a single or fails to consolidate is subject to additional charge. Students are not allowed to “trade” rooms or move to other rooms without the prior approval of the Director of Housing.

NOTE: Single occupancy will not be considered until all double occupancy requests have been satisfied. Single occupancy, when available, will result in the doubling of the room rent fee.

Cooperation of Residents

Students are required to cooperate with campus police by showing student identification when requested. Students are urged to report any suspicious incidents or individuals on campus to campus police or to the housing staff member on duty. To contact campus police, a student may call the main switchboard at 940-552-6291 and ask for campus police or in emergencies, when time is of the essence, a student should call the Vernon Police Department by dialing 911. At the beginning of each semester there will be a mandatory housing meeting where the students will receive contact phone numbers for VC police and on duty housing personnel.

3. If smoke is present, take short breaths through the nose and stay close to the floor, crawling if possible.
4. Once outside students are to report to the tennis courts in order to account for all occupants and make way for fire equipment.

A false fire alarm and/or the abuse of fire equipment (including smoke detectors) is an offense of the Texas Penal Code and may be considered a misdemeanor or felony. The College may elect to

deal with these violations and/or refer them to appropriate law authorities. College action can include disciplinary action or expulsion from Vernon College.

TORNADO/SEVERE STORM PROCEDURES

Vernon College is located in Wilbarger County and sees a number of severe storms. It is important for residents to stay aware of the weather and to understand the difference between a tornado watch and tornado warning. A tornado **watch** means that conditions are favorable for the development of tornadoes within the next couple of hours. A tornado **warning** means that a tornado is imminent, and students need to immediately seek shelter.

In the event of a tornado warning,

- A. The City of Vernon will sound a CONTINUOUS alarm. This indicates that a tornado has been sighted in the area and there is immediate danger.
- B. When there is ADVANCED warning go to the basement of the Student Residence Center.
- C. Remain calm and wait for the housing staff to release the students.

OTHER EMERGENCIES

Life threatening emergencies should be immediately reported to 911, followed by the Vernon College housing staff. Non-life threatening emergencies should be reported to the housing or security staff.

Fine Charges

Housing fines will be issued by the housing staff and must be signed by the resident violators.. Second violations for the same offense will result in doubled fines. Repeated violations will be viewed as total disregard and lack of respect for the rules and regulations of Vernon College and will be subject to disciplinary action. Any infraction of the rules will be subject to a fine at the recommendation of the Director of Student Housing and the discretion of the Dean of Student Services and the Vice President of Student Services. All fines will be charged to the resident’s account and a hold will be placed on their records. All charges must be paid before transcripts will be issued. Residents will not be allowed to register for the next semester until their account has a \$0.00 balance. A fine chart and list of prohibited items can be found on pages at the end of this Handbook. Vernon College reserves that right to contact the parents or legal guardians of any resident under the age of 21 who has violated the drug and/or alcohol policy. (See *Illegal Drugs and Alcohol Policy*.)

Fire Safety Equipment

A false fire alarm and/or the abuse of fire equipment including fire extinguishers and smoke detectors is an offense of the Texas Penal Code and may be considered a misdemeanor or felony. The smoke detectors are not to be taken down, unplugged, or turned off and residents are not allowed to use the fire extinguishers unless there is a fire emergency. Any resident caught using an extinguisher will be fined for breaking this policy and will be charged for its replacement. A first offense fine is \$50. Any subsequent offense will result in another fine and/or a referral to appropriate law authorities. Safety equipment is here for your protection.

Housing Contract

The housing contract is a nine-month, academic-year contract for students entering housing space in the fall. Those completing their course of study in the fall or those not returning to the campus for the spring semester should notify the housing office by December 1. Students entering housing in the spring or summer will sign a contract that covers the spring or summer only. This contract governs the housing refund regulations. Residents are required to read the Housing Contract and are responsible for the terms and conditions set within.

Illegal Drug and Alcohol Policy

Vernon College recognizes that drug and alcohol abuse pose a serious threat on college campuses, and Vernon College is committed to protecting the well-being and safety of its residents. The Illegal Drug and Alcohol Policy, along with the sanctions and fines subjected to violators, are a result of the concerning effects drugs and alcohol abuse have on a student's health, academic success, and future. Residents are also considered liable for their visitors or guests who violate the illegal drug or alcohol policy. Vernon College reserves the right under the Family Educational Rights and Privacy Act and the Higher Education Reauthorization Act of 1998 to notify parents/guardians of residents under the age of 21 and the parents/guardians of residents considered dependent students, regardless of the age of any violation of the Illegal Drug or Alcohol policy. **Vernon College is an alcohol-free entity at all locations, meaning that no one is allowed to have alcohol at any location for any event.**

Sharing or switching keys with other residents or with guests/visitors is strictly prohibited as it is a security violation. Residents should carry keys with them at all times and must immediately report if keys are lost, stolen, or damaged. Once reported, a room replacement key and lock will be issued, and the resident charged a replacement fee of \$50. A mailbox replacement key fee is \$10. Both keys must be turned in at check-out, and failure to do so will result in the aforementioned fees. Residents are prohibited from tampering with any college lock or installing new or additional locks or bolts. Altering or duplicating any room or mailbox keys will result in key and lock replacement fees and may result in criminal charges. Residents are allowed three free lockouts per semester. After the third lockout a \$10 fee will be assessed then and for each additional lockout. This includes the main door and the suite bathroom door.

Efforts will be made to match students with approved Emotional Support Animals to potential roommates to whom contact has been made to prevent possible incompatibilities such as allergies or other concerns. If a private room is requested, and available, approved standard private room rates will apply. A specific exercise location for the Emotional Support Animal is the responsibility of the student. Comfort or Therapy animals may not be fed food or scraps from on-campus dining.

In addition to complying with ADA guidelines, Vernon College Housing policies, and community standards residents with Emotional Support Animals must meet the following expectations:

- Animals must be on a leash, in a carrier, in a cage, or otherwise restrained when not in the resident's room
- Animals must receive daily care (food, water, and attention) from the resident
- Animals must be kept clean, their waste disposed of properly, and any problems with fleas or ticks promptly eliminated
- Animals must not bite or make excessive noise – barking, growling, screeching howling, crying, etc.
- Residents will be responsible for any damages caused by the animal
- Repeated complaints by students or staff about an animal's hygiene or behavior without prompt resolution may result in the removal of the animal
- If the animal poses an immediate threat to other Vernon College students or Vernon College staff Wilbarger County Animal Services may be contacted to remove the animal immediately
- All liability for the actions of the animal is the sole responsibility of the owner
- The owner of the animal must notify Vernon College Housing staff immediately if the animal escapes or is lost
- Students are not allowed to leave the Emotional Support Animals unattended overnight at any time. If a student will be gone from Vernon College Housing overnight the Emotional Support Animal must be removed from Vernon College Housing to either be with the student or be in proper boarding

Any violations of the above policy can result in removal of the animal.

Check-out expectations of students with Emotional Support Animals are:

- Check-out must be scheduled by appointment with the Director of Housing
- The Emotional Support Animal owner has an obligation to make sure the room is as clean as the original standard at move-in
- The room must be completely clear of animal hair
- The room must be cleaned sufficiently to eliminate any animal odor or waste odor
- Residents will be charged upon check-out if any additional cleaning, deodorizing, or disinfecting is required to remove animal hair, dander, waste or odor. Damages and extraordinary cleaning caused by the animal are the responsibility of the resident. Replacement or replace of damaged items will be made by the college and are the financial responsibility of the owner. Fines will be assessed by the Director of Housing and Dean of Student Services.

Quiet Hours

Living in college housing requires that each student be considerate of other residents. No individual, in attempting to exercise his right, may impose on the personal rights and liberties of others living in college housing. Therefore, housing will maintain quiet hours each evening from 11:00 pm until 9:00 am. Music, conversation, etc., must be quiet enough that anyone outside the room will not be disturbed. Any student breaking the quiet hour policy will be fined \$25 for a first offense and \$50 for a second. A third offense will be fined and seen as complete disregard for the rules and will be referred to the Dean of Student Services for disciplinary actions.

Residential Staff

Vernon College residents are prohibited from disturbing, annoying, harassing, or interfering with the residential staff in the performance of their duties. The Director of Student Housing and staff are employees of Vernon College and are responsible for the operation of student housing.

Their goals are

- to foster an academic environment favorable to successful scholastic experiences
- to aid the resident in transition from the family environment to that of the broader social and educational community
- to promote mature, realistic daily living
- to promote proper habits for good mental and physical health
- to promote participation in a democratic group environment and to work toward the development of a sense of community among all residents
- To create and foster an interpersonal environment that embraces diversity and celebrates individual differences

Housing staff members are available 24/7 to help with information, maintenance requests, and other general housing issues however it is the responsibility of the resident to know which member is on duty and to be sensitive to the privacy and needs of all off-duty staff. A Residence Hall duty calendar is posted on the Housing Office Door and the staff member on duty as well as their contact information is always identified.

Right of Entry and Search

The College reserves the right of entry into residents' rooms for the purpose of inspection, verification of occupancy, safety, and health maintenance, and to reclaim college property. The room may also be entered at break periods to ensure that established closing procedures have been followed. College officials, upon proper identification and purpose, may enter the room without consent if either probable cause and/or an emergency exists. The Dean of Student Services, Vernon College Police Chief, Director of Student Housing, housing staff, and maintenance and custodial staff have master keys to serve these conditions.

Room, Board, and Deposit Refunds

Except in cases where medical reasons preclude being enrolled in College, room rent is nonrefundable. Students withdrawing from classes and leaving before the end of the semester will be refunded the unused portion of their meal plan. For purposes of refund, “unused portion” will be defined as the remainder of weeks in the semester immediately after the date the check-out card is signed. No refund is made for missed or unused meals. If a student makes a partial payment and moves out before making a full payment, that student is liable for the entire portion of the semester room fee. It is the responsibility of the student to request his/her room deposit refund. Failure to properly check out will result in forfeiture of the deposit. Students vacating housing space before the conclusion of a semester will forfeit their room reservation deposit. Any room deposit not requested following the student’s last date of room occupancy will become the property of the College. Room deposits not forfeited or refunded may be applied toward a future enrollment period upon request.

Sexual Harassment Policy

It is the policy of Vernon College to provide an environment free from implicit and explicit sexual behavior used to control, influence, or adversely affect the well-being of any member of the College community. Harassment based on sex is a violation of Title IX of the Education Amendments Act of 1972 and Title VII of the Civil Rights Act of 1964. Sexual harassment of any individual is inappropriate and unacceptable and is grounds for disciplinary action. Please see the *Student Handbook* for the College’s definition of sexual harassment and the complaint procedure.

Solicitation Policy

Solicitation by a resident is prohibited. This includes but is not limited to babysitting, the selling of concessions, unauthorized fund raising or the distribution of unapproved literature. Any non-resident door-to-door salesperson, flyer, or brochure must be made known to a housing staff member immediately.

Tobacco Policy

The use of smokeless tobacco, including snuff and chewing tobacco, is prohibited in all Vernon College buildings. Evidence of use of smokeless tobacco inside buildings including “spit cups” or spitting in sinks will be seen as evidence of use and result in a tobacco fine. Smoking is prohibited in all buildings on campus including common rooms in the Student Residence Center. This includes but is not limited to e-cigarettes, vapes, ECs, electronic nicotine delivery systems (ENDS), or hookahs.

Transferring Rooms

Roommates and room assignments are chosen at random by the Director of Student Housing. Athletic team members are assigned rooms in collaboration with the coaching staff. Vernon College will attempt to honor room and roommate changes. Should a resident wish to change roommates he or she must contact the Director of Student Housing at which time the student may be reassigned a room and must

follow standard check-out procedures. Residents are not allowed to switch rooms and room keys without the permission of the Director and may face fines when caught.

Vehicle Registration

Residents with vehicles are required to register the vehicle with the campus police and display the appropriate permit for campus parking. Parking in emergency, fire, reserved, or delivery lanes will result in a ticket. In addition, only those authorized to park in handicapped spaces may do so. Refer to “Parking Regulations” in the *Student Handbook*. Residents are asked to park vehicles in marked spaces in designated Student Residence Hall parking lots. Students who also bring stock trailers are asked to specifically not park trailers in the Residence Hall parking lots. Any stock trailers should be parked at the on-campus rodeo facility.

Visitation and Guest Policies

STUDENT HOUSING VISITATION POLICY

All guests not registered for overnight visitation are permitted to visit students in their rooms only in accordance with the following schedule:

Sunday – Thursday 9:00 am to 11:00 pm.

Friday - Saturday 9:00 am to 12:30 am.

There is no curfew. Students are not to congregate around the outside by the dorm rooms past the visitation hours.

GUEST POLICY

Any resident may have an overnight guest in his or her room if it is approved in advance by the Director of Student Housing. All overnight guests must register by filling out a guest policy form with the Director of Student Housing by 3 pm on the day they are planning to stay. A host must inform roommates and suitemates of an overnight guest. All unregistered guests will be asked to leave the campus at the end of normal visitation hours and any resident caught with an unregistered non-resident guest after said hours will be fined \$50 for a first offense and \$100 for a second. A third offense will result in a fine and possible expulsion from the dorms. Guests must understand the rules and regulations of Vernon College housing. The host will be held responsible for the conduct of the guest. The guest must not be left unattended if the host will be gone for any length of time. Residents may not “loan” their keys to non-residents.

STUDENT LIFE AND COLLEGE SERVICES

Counseling

Confidential and professional counseling assistance is available for all Vernon College students through Student Services. Please understand that the members of the Housing staff are not licensed counselors. However, a member of the Housing staff may refer a student to see a Vernon College Student Success Specialist. Students will immediately be referred to a Vernon College Student Success Specialist if a student show signs of alcoholism, an eating disorder, suicidal behavior, cutting and/or harming themselves, or any other disturbing behavior as identified by the staff and Director of Student Housing.

Dining and Meal Plan

Board is provided as part of the fees for both the fall and spring semesters and is mandatory for all student residents. The board consists of fifteen meals per week (three meals per day, Monday-Friday) for the fall and spring semesters. Meals not eaten are not transferable to others. No board is included in summer contracts. Meals are not served on holidays. Board is mandatory for all residents and there is not an “opt out” option.

Getting Along with a Roommate

Honesty, consideration, mutual respect, discussion, compromise, and understanding are important in learning to live with a roommate. If a resident experiences initial difficulties in adjusting to a new roommate or to student housing life, they should remember that they are not alone. It would be surprising if residents felt at home right away. The following steps work towards establishing an amicable relationship with a roommate.

- A. Communicate - discuss pet peeves, personal habits, sleeping and rising schedules, musical tastes, needs, wants, and expectations.
- B. Set ground rules - How is the room going to be divided? Who gets first dibs on the bathroom/shower on what days? When and who is going to clean the bathroom? Who can borrow what, when, and for how long? What will studying time be? What about overnight guests? Make arrangements and keep them.
- C. Be respectful and follow the golden rule. *“Do unto others what you would have them do unto you.”*

Health Care Clinic

The Health Care Clinic is available to all students attending the Vernon campus. Vernon campus students support the clinic through a service fee paid at registration. Prevention is the primary goal of the Vernon College Health Care Clinic. The scope of the Health Care Clinic includes the treatment of students’ injuries and illnesses as well as providing students with the tools they need to maintain a state of optimum health. The clinic serves as a resource in areas of health promotion, health maintenance, and health education. The clinic is staffed by a registered nurse and a family practice physician on a scheduled basis.

After the Health Care Clinic is closed, students becoming ill or receiving injuries are referred to the emergency room of the Wilbarger General Hospital.

Health insurance policies for students are available. These policies are issued by private agencies not authorized by the College. Policy brochures may be available in the Student Services office.
