

Instructions for Accessing NetTutor

NetTutor is free, online tutoring for students currently enrolled at Vernon College. Students can access NetTutor through their Canvas.

1. Go to www.vernoncollege.edu
2. Click the “Inside VC” orange ribbon
3. Click “Canvas”
4. Username: StudentID (no hyphens)
5. Password: Chaps####
6. Click into any course tile.
 - (If you do not have any classes that use Canvas, contact a Tutoring Center Coordinator, and they will add you to the Tutoring Center course in Canvas)
7. On the left, white ribbon, you’ll see a direct link to NetTutor.
8. Then click “NetTutor”

NetTutor

9. A message about essay tutoring should appear. Read the message then click “Continue to WorldwideWhiteboard”
10. A list of subjects should appear, then you can choose any of those subjects to start a tutoring session
11. After choosing a subject, a list of three types of tutoring venues will appear:

Ask NetTutor- Live 1-to-1 Help
--This will take you to a live tutor

NetTutor Q&A Center
--This will allow you to leave a question with a tutor, then you will receive an answer through an email at a later time

My NetTutor Tutorial Archive
--This will allow you to look back at previous sessions you had with NetTutor

12. After choosing a venue, a WorldwideWhiteboard will appear and you may begin your tutoring session
13. Click directly into the whiteboard to begin typing
14. Use the tools on the left-hand side for a more options

If you have questions, please contact a Tutoring Center Coordinator:
