GET NOTIFIED

EMERGENCY NOTIFICATION SYSTEM

Vernon College has taken some extra steps to enhance the security of our campus, to ensure timely emergency communication, and give peace of mind to students, parents, and community members. To accomplish this, we are implementing a new Emergency Notification System (ENS) called RUNsync. RUNsync is a multi-medium communication tool that allows us to publish emergency information to our website, mobile app, Facebook, and Twitter. Runsync also generates test-to-speech phone calls and SMS messages for our subscribers.

There are two methods by which you can subscribe to our new ENS:

A. From our website:

1. Go to www.vernoncollege.edu and click the "VC Alert - Get the Message" button on the bottom left hand side of the homepage.
2. Fill the form out completely. This will create your subscriber account in our system. Please take note of the email address and password you used. You will use that information to log in to the ENS to manage your subscription.
3. Select the following methods to ensure you are getting the emergency message in the way you prefer it.

B. From our mobile app:

1. Our App is available for download from Apple's App Store or the Google Play Store if you have an Android device.
2. When you open the app on your device be sure and tell it to 'Allow Push Notifications.'
3. To set up a new account, click the 'Settings' tab and input your email address and a password then click 'Register.'
4. If you already have a subscriber account use that email address and password and click 'Login.'
5. Once logged in you will be able to manage your account information and your subscriptions.
 - i. On the 'Settings' tab please provide information, tell us your subscriber type, and select if you want Text or Voice Alerts.
 - ii. On the 'Subscriptions' tab you can select which groups for which you want to be alerted.

FINANCIAL AID INFORMATION

Financial Aid: (940) 552-6291 ext. 2349 in Vernon or (940) 696-8752 ext. 2349 in Wichita Falls

For determination of aid eligibility, the Free Application for Federal Student Aid (FAFSA) must be completed annually. The VC Financial Aid Office will request additional information or forms if required. After the FAFSA information is confirmed and eligibility determined, the student will receive an award notification which details the award(s) the student may be eligible to receive.

Spring 2020 Priority Deadlines: November 1, 2019 for Spring and Spring I, and January 23, 2020 for Spring II. Submitting all required documents prior to this date will ensure that we have your financial aid file completed and awarded prior to the payment deadline. Failure to provide the required documents including the FAFSA, tax documents (if required), and other documents requested by the financial aid office by the deadline could result in your aid not being ready to pay towards your bill on payment deadline. Students must have also applied for admission to Vernon College prior to this deadline. Failure to meet these requirements will mean that you must make other financial arrangements such as cash, credit card, etc. with the business office or use the payment plan located in Campus Connect. Simply completing the FAFSA by the deadline is NOT considered a complete file because there is more information required beyond the FAFSA application. Students turning in documents after the deadline date must be prepared to pay their tuition and fees, books and other educationally related expenses using personal funds. Once files are complete, eligible students will receive payment in accordance with the VC disbursement of awards policy. Since funds are limited in some programs and awards are assigned as applications are completed, early application for aid is essential.

If you have financial aid/scholarships and a \$-0- account balance following your registration, your registration is complete. You may pick up a copy of your statement in the Business Office or have one mailed upon request. If you are registering onsite during a regular registration day, you may go to the Business Office and receive a copy of your statement and your registration will be complete. If you have financial aid/scholarships and you owe a balance following your registration, you must pay the balance to the Business Office or use the payment plan located in Campus Connect before the close of the counter on the day of registration or the payment deadline, or your enrollment will be cancelled.

As per federal regulations, Direct Loans are issued to students in multiple disbursements. Generally this means you will receive equal portions of your loan each semester, except if your loan is only one semester in length. If one semester, then generally the loan will be split into two disbursements in that semester. Also, as per federal regulations, the first disbursement of student loan to a first year, first-time borrower, must be held for at least 30 days.

Students receiving tuition exemptions and/or agency sponsorship (TRC, WIA, TA, etc.) must take their estimated statement to the Financial Aid Office along with the appropriate payment voucher before the end of that particular registration period.

Veteran students must submit a **FINALIZED*** copy of their estimate of student account (located in Campus Connect under Account Info and Review/Pay Account) in order to be certified. Students receiving Chapter 33 benefits (Post 911) must also submit a copy of their most recent VA award letter or a printout of their eBenefits account if the student wishes to have an award pre-posted prior to certification. Note: students that do not have enough remaining eligibility to cover the entire semester cannot have an award pre-posted. Student certifications are processed in the order the paperwork is received by the Veterans Services Office.

*If changes are made to enrollment once the certification has been submitted, the STUDENT WILL BE RESPONSIBLE for any additional charges incurred. Adjustments to VA awards and certifications will not be made until after the semester census date.

Hazelwood students must submit a completed Hazelwood packet prior to the census date each semester in order to receive benefits for the semester. Incomplete packets will be returned to the student.

Refund Information

Students who officially withdraw or drop a course will have their tuition and mandatory fees refunded according to the schedule below. All refunds are processed through the Business Office in Vernon. No cash refunds or reversal of charges to credit cards will be made. All credits will be applied to any outstanding balance owed to the college before a refund will be issued including Nelnet Business Solutions installment plans. Refunds are issued by check mailed to student's address of record, direct deposit to the student's Chaparral ID Card, or other designated direct deposit account. Students should allow 2-3 weeks to see their refunds.

Percentage Refunded	Spring (16 Week)	Spring I (8 Week)	Spring II (8 Week)

DISTANCE EDUCATION COURSES

Types of Distance Education Courses

VC offers interactive television (ITV), Internet, and hybrid courses.

ITV Courses are basically face to face courses with the instructor being televised from a remote location. ITV Courses are denoted in the schedule by the presence of a “T” between the course number and section number.

Internet courses are conducted online and require the student to have access to a computer with internet. Proctored testing at an approved testing site may be required. Online course orientations are combined in the content of the course and available on the first day of the semester. Online courses are denoted in the online schedule with section numbers 900-999.

Hybrid courses have an online and an ITV or traditional classroom component. In the case of online Hybrid courses much of the content is presented on the Internet, but students must participate in regularly scheduled class meetings at a specified VC campus or center. Hybrid courses are also denoted in the online schedule with section numbers 900-999. A “V” between the course number and section number denotes that the classroom component of the course is held on the Vernon Campus while a “W” between the course number and section number denotes that the classroom component is held at a Wichita Falls location. **Please check the room locations and the times of the classroom component of Hybrid courses to ensure the accuracy of your schedule. Proctored testing at an approved testing site may be required for Hybrid courses.** Hybrid course orientations may be combined in the content of the course or conducted on the first scheduled class meeting.

Distance Education Student Authentication

All distance education students are authenticated by the use of a unique username and password to obtain access. Students receive their unique username and password upon completion of the registration process. The student is responsible for maintaining the confidentiality of the password and account. He/she must not disclose his/her password to any other person. Disclosure of a password may result in administrative withdrawal from Vernon College with forfeiture of tuition and fees. Any student who is aware of a violation of password security breach must immediately notify their instructor or report by completing the Student Support Request Form.

Complete the [Student Support Request Form](#) by clicking on this link, or going to <http://www.vernoncollege.edu/myvc-support-request-form>

Distance Education Student Privacy

The privacy of distance education students is maintained in accordance to the Family Educational Rights and Privacy Act (FERPA). Additional communication precautions are taken to protect distance education students. Instructional and course communications between instructors and students is limited to contact using Vernon College issued electronic mail accounts, which require authorized credentials and password securities.
