Welcome

Welcome to Vernon College residential life. In order to assist students in pursuing their educational goals, Vernon College offers residence halls. Living on campus provides students with the life experience and educational benefits of group living. Vernon College is dedicated to this educational experience and providing a safe, comfortable living environment. With these responsibilities in mind the following policies and procedures have been set up to ensure the safety of the residents as well as to protect the college's property.

Residence Guidelines, Procedures, and Policies

Code of Conduct

Students are expected to conduct themselves in accordance with generally accepted standards of good behavior and good taste. Standards and procedures which encompass the Code of Student Conduct are considered as College policy. Enrollment in Vernon College is considered by the College as implicit declaration of acceptance on the part of the student of college regulations. It is stressed that all local, state, and federal laws are supported by the College. Being a student does not exempt a person from being a law abiding citizen.

All student housing residents are expected to become familiar with the Code of Student Conduct found in the *Vernon College Student Handbook*. In addition to the Code of Student Conduct, individuals occupying student housing are also prohibited from the following:

- A. Students who harm themselves, or any other student, are in violation of the Code of Student Conduct.
- B. Inappropriate behavior such as nudity, spectator sex, and any other behavior deemed as inappropriate by the Director of Housing and/or Dean of Student Services.
- C. Gambling of any type.

Damages to Room or Common Areas

In order to provide students with the best possible residential experience at Vernon College, the housing and maintenance staff monitor the college's property including rooms, common areas, and grounds. The student is individually responsible for the cost of replacement or repair of any breakage or damage to his/her room or furnishings, or any other on campus damage for which the student is responsible. The student is responsible for the cost of any extra-ordinary cleaning, replacement, or repair of items in the common areas. At the time of check out, the college reserves the right to forfeit the housing deposit due to damages. The resident is responsible for the actual cost of replacement or repair of any damage if said cost exceeds the housing deposit. Charges will be evenly assessed to each member of an assigned room in which the student resides in the event the responsible person remains anonymous. A damage charge chart has been provided on page 12 of this handbook.

Housing Meetings

Students will periodically be required to participate in mandatory Housing meetings. In order to better benefit from living on campus, the Housing and Student Services staff use this time to inform students of rules and regulations, upcoming student activities, health and safety information, campus updates and other general housing information.

Vernon College Housing will also meet at least monthly with the Vernon College Student Housing Board (VCSHB) during the fall and spring semesters. The VCSHB will be comprised of 1 member of each Vernon College athletic team (rodeo, softball, volleyball, and baseball) as well as at least 2 traditional students that are housed in the dormitory. The VCSHB will meet 6 times during the academic year with the Director of Housing and Resident Assistants. Their charge will be to discuss and address any outstanding issues regarding policy, procedure or practices and also provide input on activities and scheduling of activities.

Alterations of Dormitory Rooms

No changes will be made in college housing by the resident without written permission from the Director of Student Housing. This includes but is not limited to shelves, partitions, wallpaper, painting, plumbing, heating, and other structural changes, alterations to furniture, or the removal of furniture and its replacement with items owned by the student. The use of nails or markers on the walls, furniture, mirrors, or doors is prohibited. Do not remove locking screws or blinds from the windows. For the safety of the student and to prevent damage to residence hall furniture, stacking/ bunking beds is not permitted. The use of Command Strips is acceptable but incorrectly removing them and causing damages to the wall will result in a fee.

Basement Policy and Care

Vernon College provides a large basement open to student residents for organized study groups, movie nights, ping-pong, and social events. Residents are responsible for cleaning the area after use and for any damages. The college reserves the right to prohibit specific residents from use of the basement based on misuse or continued failure to keep the area clean. No furniture can be removed from the basement.

Bicycles

The storage of bicycles is not permitted in the resident's room, lobby area, or basement. For the convenience of the housing residents, Vernon College has provided a bicycle rack outside of the main dorm. The resident must provide their own lock. Vernon College is not responsible for lost, stolen, or damaged property. (Please see *Care of Rooms and College Liability*)

Cable TV

Basic cable is provided in each room. For service beyond basic cable, students must contact the local cable provider to make arrangements at the students' expense. The resident must provide their own cable cord.

Care of Rooms and College Liability

The resident is responsible for cleaning her/his assigned room and bathroom. Removing waste materials regularly and keeping the floor clear of obstructions are important health and safety measures expected of every resident. For compliance with health, maintenance, safety, and college housing regulations, the college reserves the right to periodically inspect a student's room with or without notice. All attempts will be made to have the inspections announced in advance and scheduled when one or both residents are available, although some inspections such as visitation check, drug or alcohol check, etc., may be unannounced. The College shall assume no responsibility for the theft, vandalism, destruction, loss of money, valuables, or other personal property belonging to, or in the custody of the student for any cause whatsoever. It is the student's responsibility to keep their rooms locked at all times. Each room door has a locking knob as well as a locking deadbolt; students are encouraged to use both in order to maximize security. Students are encouraged to carry their own property insurance.

Check-in/Check-out Procedures

CHECK-IN

Each resident should report directly to the housing office during posted times. Follow the instructions to ensure a smooth and proper check-in:

- A. Go to the housing office and report to the residence hall staff member on duty.
- B. Sign in to receive a room assignment and fill out a check-in card.

All residents are issued a mailbox key and a room key by the Director of Student Housing or residence hall assistants. The loss of a key should be reported immediately to the Director of Housing. In order to maintain security, the lock will be changed and new keys issued. There will be a charge for the cost of this service. For security purposes, the rooms should be locked at all times. The student shall not alter or duplicate any room or mailbox key. Any student in possession of a duplicate key will be charged for replacing the lock.

CHECK-OUT

The Director of Student Housing (or residence hall staff member) and the resident must complete the check-out form. The student must sign the check-out form and leave it with the residence hall staff. Failure to check-out properly and turn in the room key can result in academic records being withheld by the College and will result in forfeiture of the room deposit. If there are damages in excess of the deposit, the College reserves the right to withhold academic records until the damages are paid. Residents that no longer require Vernon College housing must complete a Room Deposit Refund Request form at the time of check-out.

When checking-out:

Comfort/Therapy Animals

COMFORT AND THERAPY POLICY

Vernon College recognizes the rights of Housing Residents to have Comfort Animals or Therapy Animals. Comfort and Therapy Animals may also be called Emotional Support Animals. *This is different from Service Animals which are registered with the Office for Students with Disabilities (OSD).* Service Animals registered with Vernon College OSD are allowed access to all areas of the institution. Comfort or Therapy Animals are only permitted in Vernon College housing (They are not permitted in classrooms, administrative buildings, dining halls, housing common areas, or gyms and athletic fields).

No animal will be permitted in Vernon College Housing that:

- Does not have prior approval by the Vernon College OSD Office, the Dean of Student Services and Vernon College Housing Office
- Poses a direct threat to the health and safety of other students or staff
- Would cause substantial physical damage to Vernon College facilities or other residents
- Would fundamentally alter the nature of Vernon College Housing operations
- Is defined as “dangerous wild animals” in the Texas Health and Safety Code 822.101 (big cats, apes, bears, hybrids of these animals), primates, high rabies risk animals (bats, fox, raccoon, coyote), venomous animals, or domestic animals with an unknown health history are not allowed

The Dean of Student Services, OSD Coordinator, and the Housing Director will make the final determination for on-campus residents requesting a waiver of the “no pets” policy so that they may have a Comfort or Therapy Animal. A decision about if a particular accommodation is reasonable is a fact intensive, case-specific determination. To request to have a Comfort or Therapy Animal in Vernon College Housing, the student must submit the following to the Office for Students with Disabilities:

- Complete a Disability Services intake form
- Provide a Comfort or Therapy Animal Request letter completed by a licensed mental health professional (therapist, psychologist, or psychiatrist – not a family doctor) on his/her letterhead that states the student is under his/her care, is emotionally or psychiatrically disabled, and prescribes a Comfort or Therapy Animal for the specific student

- Provide documentation from a licensed veterinarian that the animal is inoculated and free from diseases. The paperwork must also show that all shots are updated and in compliance with Wilbarger County and the City of Vernon requirements

If a Comfort or Therapy Animal is approved, the student will be required to complete animal registration paperwork with the Vernon College Housing Office.

Residents with approved Comfort or Therapy Animals will not automatically be assigned a private room. Efforts will be made to match students with Comfort or Therapy Animals to potential roommates to whom contact has been made to prevent possible incompatibilities such as allergies or other concerns. If a private room is requested, and available, approved standard private room rates will apply. A specific exercise location for the Comfort or Therapy Animal is the responsibility of the student. Comfort or Therapy Animals may not be fed food or scraps from on campus dining.

In addition to complying with ADA guidelines, Vernon College Housing policies, and community standards, residents with Comfort or Service Animals must meet the following expectations:

- Animals must be on a leash, in a carrier, in a cage or otherwise restrained when not in the residents room
- Animals must receive daily care (food, water and attention) from the resident
- Animals must be kept clean, their waste disposed of properly, and any problems with fleas or ticks promptly eliminated
- Animals must not bite or make excessive noise – barking, growling, screeching howling, crying, etc...
- Residents will be responsible for any damages caused by the animal
- Repeated complaints by students, residents or staff about an animals hygiene or behavior, without prompt resolution, may result in removal of the animal
- If the animal poses an immediate threat to other Vernon College students or Vernon College staff, Wilbarger County Animal Services may be contacted to remove the animal immediately
- All liability for the actions of the animal is the sole responsibility of the owner
- The owner of the animal must notify Vernon College Housing staff, immediately, if the animal escapes or is lost
- Residents are not allowed to leave the Comfort or Therapy Animal unattended overnight at any time. If a student will be gone from Vernon College Housing overnight the Comfort or Therapy Animal must be removed from Vernon College Housing.

Violations of the above policy may result in immediate removal of the animal and permanent revocation of the Comfort or Therapy Animal privileges for the resident.

Expectations of residents with Comfort or Therapy Animals with regard to checkout:

- Checkout must be scheduled by appointment with the Director of Housing
- The room must be completely clear of animal hair
- The room must be cleaned sufficiently to eliminate any animal or waste odor
- Residents will be charged upon check-out, if any additional cleaning, deodorizing, or disinfecting is required to remove animal hair, dander, waste or odor.

NOTE: Pets are strictly prohibited in Vernon College Resident Housing (even temporarily.) “Pets” include mammals, reptiles, amphibians, birds or insects. Having an unauthorized animal in a dorm room or indoor public area will result in a removal of the animal and a fine of \$250.

Consolidation of Room Assignments

The College reserves the right to assign or reassign space for the benefit of the institution, individual student, roommate, or suitemate(s). Students who do not wish to have a roommate will be given the option to contract for a room as a “single” when space will permit, or they must agree to accept the assignment of a roommate. Consolidation is an effort to equitably achieve maximum use of the student residence center space, as well as to create the safest possible environment for all residents. If a conflict between the two residents arises, one or both may choose to select new rooms at the discretion of the Director of Student Housing. A student who elects to use a room as a single or fails to consolidate is subject to an additional charge. Students are not allowed to “trade” rooms or move to other rooms without the prior approval of the Director of Housing.

NOTE: Single occupancy will not be considered until all double occupancy requests have been satisfied. Single occupancy, when available, will result in the doubling of the room rent fee.

Cooperation of Residents

Students are required to cooperate with campus police/security by showing student identification when requested. Students are urged to report any suspicious incidents or individuals on campus to campus police/security or to the housing staff member on duty. To contact campus police/security, a student may call the main switchboard at 940-552-6291 and ask for campus police/security or in emergencies, when time is of the essence, a student should call the Vernon Police Department by dialing 911. At the beginning of each semester there will be a mandatory housing meeting where the students will receive contact phone numbers for VC security and on duty housing personnel.

Damage Charge Chart

The following is a list of common damage charges. Other charges for room damage may apply, even if not listed. Prices are subject to change at the discretion of the Director or Student Housing or the Director of Physical Plant based on cost of materials. A hold will be placed on the resident’s record until damages have been paid.

Residents must have a signed housing contract on file in the housing office prior to occupancy. Those convicted of a felony or individuals required to register by Texas law or Megan’s Law are prohibited from living in Vernon College housing. **Registered Sex Offenders are prohibited from living in Vernon College Housing.**

Emergency Procedures

FIRE EVACUATION PROCEDURES

If the fire alarm sounds, students are to evacuate the building IMMEDIATELY, following the instructions listed below.

1. If the door is hot to touch, do not open it. Roll up a wet towel and place it at the base of the door to prevent smoke penetration. Close windows, turn on lights, and close room doors but do not lock them.
2. If the door is cool to the touch, open it slowly. Leave the room, close the door, and proceed to the nearest exit/stairwell. If possible, alert other students on the way to the exit.
3. If smoke is present, take short breaths through the nose and stay close to the floor, crawling if possible.
4. Once outside, students are to report to the tennis courts in order to account for all occupants and make way for fire equipment.

A false fire alarm and/or the abuse of fire equipment (including smoke detectors) is an offense of the Texas Penal Code and may be considered a misdemeanor or felony. The College may elect to deal with these violations and/or refer them to appropriate law authorities. Violators will be subject to disciplinary action as referenced in the Student Code of Conduct published Vernon College Student Handbook.

TORNADO/SEVERE STORM PROCEDURES

Vernon College is located in Wilbarger County and experiences a number of severe storms. It is important for residents to stay aware of the weather and to understand the difference between a tornado watch and tornado warning. A tornado **watch** means that conditions are favorable for the development of tornadoes within the next couple of hours. A tornado **warning** means that a tornado is imminent, and students need to immediately seek shelter.

In the event of a tornado warning:

- A. The City of Vernon will sound a CONTINUOUS alarm. This indicates that a tornado has been sighted in the area and there is immediate danger.
- B. Residents should immediately go to the basement of the dormitory.
- C. Remain calm and wait for the housing staff to release the students.

OTHER EMERGENCIENCIES

Life threatening emergencies should be immediately reported to 911, followed by the Vernon College housing staff. Non-life threating emergencies should be reported to the housing or security staff.

Fines

Housing fines will be issued by the housing staff and must be signed by the resident violators at the time of the offense. Second violations for the same offense will result in doubled fines. Repeated violations will be viewed as total disregard and lack of respect for the rules and regulations of Vernon College and will be subject to disciplinary action. Any infraction of the rules will be subject to a fine at the recommendation of the Director of Student Housing and the discretion of the Dean of Student Services. All fines will be charged to the resident's account and a hold will be placed on their records. All charges must be paid before transcripts will be issued. Residents will not be allowed to register for the next semester until their account has a \$0.00 balance. A fine chart and list of prohibited items can be found on pages at the end of this Handbook. Vernon College reserves that right to contact the parents or legal guardians of any resident under the age of 21 who has violated the drug and/or alcohol policy. (See *Illegal Drugs and Alcohol Policy*.)

Abuse of Fire Safety Equipment

A false fire alarm and/or the abuse of fire equipment including fire extinguishers and smoke detectors is an offense of the Texas Penal Code and may be considered a misdemeanor or felony. The smoke detectors are not to be taken down, unplugged, or turned off and residents are not allowed to use the fire extinguishers unless there is a fire emergency. Any resident caught using an extinguisher for a non-emergency purpose will be fined for breaking this policy and will be charged for its replacement. A first offense fine is \$50. Any subsequent offense will result in another fine and/or a referral to appropriate law authorities. Safety equipment is here for your protection.

Housing Contract

The housing contract is a nine-month, academic year contract for students entering housing space in the fall. Those completing their course of study in the fall or those not returning to the campus for the spring semester should notify the housing office by December 1. Students entering housing in the spring or summer will sign a contract that covers the spring or summer only. This contract governs the housing refund regulations. Residents are required to read the Housing Contract and are responsible for the terms and conditions set within.

Illegal Drug and Alcohol Policy

Vernon College recognizes that drug and alcohol abuse pose a serious threat on college campuses and the institution is committed to protecting the well-being and safety of its residents. The Illegal Drug and Alcohol Policy along with the sanctions and fines subjected to violators are a result of the concerning effects drugs and alcohol abuse have on a student's health, academic success, and future. Residents are also considered liable for their visitors or guests who violate the illegal drug or alcohol policy. Vernon College reserves the right under the Family Educational Rights and Privacy Act and the Higher Education Reauthorization Act of 1998 to notify parents/guardians of residents under the age of 21 and the parents/guardians of residents considered dependent students regardless of age of any violation of the Illegal Drug or Alcohol policy. **Vernon College is an alcohol and drug free institution.**

ILLEGAL DRUG VIOLATION

Vernon College holds to a ZERO TOLERANCE policy for drug related offenses. Prohibited behavior includes possession, distribution, selling and/or the manufacturing of an illegal chemical substance in the dorm rooms or on campus property. Any resident violating this policy will immediately lose Vernon College housing privileges, will be subject to parental/guardian notification, and will be subject to disciplinary action under the Vernon College Student Code of Conduct published in the Vernon College Student Handbook. Vernon College personnel reserve the right to search all rooms at any time without notice.

Alcohol is strictly prohibited on the Vernon College campus and in student housing regardless of age. Violations of this policy include the following prohibited behaviors:

- Possession of an alcoholic beverage including opened, unopened, and/ or empty containers

If a resident experiences initial difficulties in adjusting to a new roommate/suitemate or to student housing life, they should remember that they are not alone. It would be surprising if residents felt at home right away. The following steps work towards establishing an amicable relationship with a roommate/suitemates.

- A. Communicate - discuss “pet peeves”, personal habits, sleeping and rising schedules, musical tastes, and other needs, wants, and expectations.
- B. Set ground rules - How is the room going to be divided? Who gets first dibs on bathroom/shower and on what days? When and who is going to clean the bathroom? Who can borrow what, when, and for how long? What will studying time be? What about overnight guests? Be sure to make arrangements in advance and keep them.
- C. Be respectful and follow the Golden Rule. *“Do unto others what you would have them do unto you.”*
