

# WELCOME TO VERNON COLLEGE

Our goal is to educate and prepare students for their career choice. To complete this goal, all students will meet with their Student Success Advisor (SSA) before registering for classes. Students may review available courses at any time by visiting <http://www.vernoncollege.edu/academic-credit>. Once a student has met with their SSA, online registration is available through MyVC at <https://myvc.vernoncollege.edu/ICS>. ## GET NOTIFIED

### EMERGENCY NOTIFICATION SYSTEM

Vernon College has taken some extra steps to enhance the security of our campus, to ensure timely emergency communication, and give peace of mind to students, parents, and community members. To accomplish this, we are implementing a new Emergency Notification System (ENS) called RUNsync. RUNsync is a multi-medium communication tool that allows us to publish emergency information to our website, mobile app, Facebook, and Twitter. RUNsync also generates text-to-speech phone calls and SMS messages for our subscribers.

There are two methods by which you can subscribe to our new ENS: through our Vernon College website or a mobile app for Apple or Android

# FINANCIAL AID INFORMATION

Financial Aid: (940) 552-6291 ext. 2349 in Vernon or (940) 696-8752 ext. 3347 in Wichita Falls

For determination of aid eligibility, the Free Application for Federal Student Aid (FAFSA) must be completed annually. The VC Financial Aid Office will request additional information or forms if required. After the FAFSA information is confirmed and eligibility determined, the student will receive an award notification which details the award(s) the student may be eligible to receive.

**Spring 2022 Priority Deadlines: November 1, 2021 for Spring and Spring I, and January 21, 2022 for Spring II.** Submitting all required documents prior to this date will ensure that we have your financial aid file completed and offered prior to the payment deadline. Failure to provide the required documents including the FAFSA, tax documents (if required), and other documents requested by the financial aid office by the deadline could result in your aid not being ready to pay towards your bill on payment deadline. Students must have also applied for admission to Vernon College prior to this deadline. Failure to meet these requirements will mean that you must make other financial arrangements such as cash, credit card, etc. with the business office or use the payment plan located in Campus Connect. Simply completing the FAFSA by the deadline is NOT considered a complete file because there is more information required beyond the FAFSA application. Students turning in documents after the deadline date must be prepared to pay their tuition and fees, books and other educationally related expenses using personal funds. Once files are complete, eligible students will receive payment in accordance with the VC disbursement of financial aid policy. Since funds are limited in some programs and financial aid offers are assigned as applications are completed, early application for aid is essential.

If you have financial aid/scholarships and a \$-0- account balance following your registration, your registration is complete. You may pick up a copy of your statement in the Business Office or have one mailed upon request. If you are registering onsite during a regular registration day, you may go to the Business Office and receive a copy of your statement and your registration will be complete. If you have financial aid/scholarships and you owe a balance following your registration, you must pay the balance to the Business Office or use the payment plan located in Campus Connect before the close of the counter on the day of registration or the payment deadline, or your enrollment will be cancelled.

As per federal regulations, Direct Loans are issued to students in multiple disbursements. Generally this means you will receive equal portions of your loan each semester, except if your loan is only one semester in length. If one semester, then generally the loan will be split into two disbursements in that semester. Also, as per federal regulations, the first disbursement of student loan to a first year, first-time borrower, must be held for at least 30 days.

Students receiving tuition exemptions and/or agency sponsorship (TRC, WIA, TA, etc.) must take their estimated statement to the Financial Aid Office along with the appropriate payment voucher before the end of that particular registration period.

Veteran students must submit a **FINALIZED\*** copy of their estimate of student account (located in Campus Connect under Account Info and Review/Pay Account) in order to be certified. Students receiving Chapter 33 benefits (Post 911) must also submit a copy of their most recent VA award letter or a printout of their eBenefits account if the student wishes to have an award pre-posted prior to certification. Note: students that do not have enough remaining eligibility to cover the entire semester cannot have an award pre-posted. Student certifications are processed in the order the paperwork is received by the Veterans Services Office.

\*If changes are made to enrollment once the certification has been submitted, the STUDENT WILL BE RESPONSIBLE for any additional charges incurred. Adjustments to VA awards and certifications will not be made until after the semester census date.

Hazelwood students must submit a completed Hazelwood packet prior to the census date each semester in order to receive benefits for the semester. Incomplete packets will be returned to the student.

## Refund Information

Students who officially withdraw or drop a course will have their tuition and mandatory fees refunded according to the schedule below. All refunds are processed through the Business Office in Vernon. No cash refunds or reversal of charges to credit cards will be made. All credits will be applied to any outstanding balance owed to the college before a refund will be issued including Nelnet Business Solutions installment plans. Refunds are issued by check mailed to student's address of record, direct deposit to the student's Chaparral ID Card, or other designated direct deposit account. Students should allow 2-3 weeks to see their refunds.

## ADA Accommodations

Vernon College provides reasonable accommodations to qualified students in accordance with the Americans with Disabilities (ADA) act of 1990 and the Amendments Act of 2008. Accommodations are made on a case-by-case basis. Early notice is required to prepare for and provide certain special accommodations by the first week of class. All requests for special accommodations due to a disability must be accompanied by appropriate and acceptable documentation. It is the responsibility of the student to contact the OSD and to provide documentation that qualifies the student as an individual with a disability, as defined by law, and supports the requested accommodation. The student is also responsible for providing current and accurate contact information and for meeting with OSD personnel to sign paperwork and receive instructor letters. Special arrangements may be made for distance students who never travel to one of the Vernon College campuses. Students must complete the request process before any accommodations are made.
