QUESTIONS TO ASK A TRANSFER REPRESENTATIVE

ACCEPTANCE

- What is the required GPA for my major?
- How long does it take for the acceptance process?
- Besides GPA, what else is considered for transfer admission, such as work experience, community service, clubs, or leadership roles?

ADVISING & COURSES

- What is the name and phone number of the Transfer Advisor for my major with whom I can speak directly?
- Will my Advisor assist me in mapping out my course schedule and degree requirements?
- Are there opportunities to create your own major? (combining other majors to create your own specialized degree)

CREDIT TRANSFER

- What is the maximum number of transfer credits that can be applied to my major?
- Can I receive a preliminary review of my transfer credits before applying? Who is responsible for evaluating transcripts?
- Do you award credit for prior work or life experience? Are there opportunities to earn credit through exams?

PAYING FOR COLLEGE

- Are transfer students eligible for your scholarships? If so, how would I need to apply?
- What jobs/opportunities are offered for students to work on campus?
- If there are still classes I can take at the community college level after admitted to your university, will my enrollment at both colleges be factored into my financial aid award?

SCHOOL & STUDENT LIFE

- How can I visit your campus? Do you offer special visit days or application fee waivers for transfer students?
- What campus resources and activities are available to help students feel connected, such as clubs, student organizations, wellness services, or faith-based groups?
- Do you offer internships or career services related to my major?
- How successful are your graduates in getting into graduate or professional schools, or passing required licensing exams?
- Is campus housing available for transfer students?
