Dates of meetings: March 5, 2012

Accomplishments: Increased retention of students to completion from 128 in 2010-11 to 150 in 2011-12; mid-term evaluation forms were implemented with evaluation designed to be more specific to outcomes using ATI standardized testing to intensify learning.

Recommendations: To improve the NCLEX pass rate, the program will evaluate the approach and determine what changes need to be made; this will be directed by the ATI testing program.

Membership suggestions: Make up of the committee should reflect the racial/ethnicity demographics of the region.
