Dates of meetings: 9-22-2011

Accomplishments: Program and course objectives and outcomes have been updated with the information the members provided in the SCANS competencies rating and the competency profile. The program increased contact hours to 920 as recommended by the committee.

Recommendations: In order to help students better prepare for the clinical work, it was suggested to make videos to explain the policies and procedures of the clinical sites. Also, it was recommended to have speakers from the pharmacy profession as speakers to the class; the members indicated they would participate in this.

Membership suggestions: None
