The meeting was called to order at 2:03pm on Thursday, May 2, 2013.

1. To assist the Athletic Director in selecting new programs.
  - Dean Hardin stated every year the committee addresses selecting new programs but this normally doesn't change because of budgeting.
  - For the last 10 years we have had three sports that have been recommended consistently if we were to add any new programs: tennis, golf and soccer. Occasionally you will hear about recommending basketball.
  - If we were to add a new athletic program tennis would be the one most favorable.
  - Coach Lallmann commented that another sport that has a low overhead that could be a possible addition is cross country/track.
  
2. To review the effectiveness of the College's athletics programs.
  - Jason Jenkins mentioned the volleyball team's success this past season and that baseball brought in 42 student/athletes this past fall semester and maintained the majority throughout the year.
  - Dean Hardin stated that we need to make sure we keep our student/athletes numbers up, have mandatory study halls, make sure the students understand the academic importance of being on scholarship and they need to maintain their GPA's even if that means going to the PASS center for extra help.
  
3. To make recommendations to the Dean of Student Services/Athletic Director and/or the President.
  - Dean Hardin presented no recommendations
  - Jason Jenkins suggested maybe having Saturday meals for student/athletes who are on scholarship and that become part of their scholarship as well.
  - Garry David mentioned maybe having one Saturday a month where the student/athletes were fed.
  - NJCAA rules would have to be checked to make sure no rules were being violated.
  - Dean Hardin stated that he didn't know where the funds would come from or what budgets would be used.
  
4. Other comments

- Coach Lallmann motioned adding additional meal plans from Great Western Dining for student/athletes on scholarship and Jason Jenkins seconded the motion.
- Garry David stated that currently Great Western Dining gives five total meal plan scholarships for athletics being that each sport receives one and a fourth meal plan.

Coach Lallmann motioned to adjourn the meeting at 2:33pm, which was seconded by Dona Crow.
