

Catastrophic Leave Committee

Minutes – April 11, 2012

- An email was sent to all committee members requesting input on the need for a meeting this year to review the policy, discussion, etc. Went over the Purpose and Responsibilities of the Committee as put forth for us by the president.
- All members voted that they felt no need to meet and to continue to review cases and vote on them via email due to members being located on various campuses. This has seemed to work well for the committee so far. We will meet if the need arises.
