Philosophy

VERNON COLLEGE PHILOSOPHY: Vernon College is a constantly evolving institution, dedicated primarily to effective teaching and regional enhancement. With this dedication to teaching and to the community, the College encourages open inquiry, personal and social responsibility, critical thinking, and life-long learning for students, faculty, and other individuals within its service area. The College takes as its guiding educational principle the proposition that, insofar as available resources permit, instruction should be adapted to student needs. This principle requires both flexibility in instructional strategies and maintenance of high academic standards. Strong programs of assessment and accountability complement this educational principle. VC accepts the charge of providing a college atmosphere free of bias, in which students can exercise initiative and personal judgment, leading to a greater awareness of personal self-worth. It strives to provide every student with opportunities to develop the tools necessary to become a contributing, productive member of society.

Vision

VERNON COLLEGE VISION: Vernon College will promote a culture of success for our students and communities through learner-centered quality instructional programs and exemplary services.

Values

VERNON COLLEGE VALUES: Vernon College promotes a culture of success through our shared values and commitment to:

- Accessibility
- Accountability
- Building Relationships
- Diversity
- Innovation
- Leadership
- Quality
- Student Success
- Teamwork

☐ Our values define who we are and guide us in conducting our business every day. Our values are our morals – what is important to us at our college.
Mission

**VERNON COLLEGE MISSION:** The mission of Vernon College is teaching, learning, and leading. Vernon College is a comprehensive community college that integrates education with opportunity through our instructional programs and student support services by means of traditional and distance learning modes. Therefore, to fulfill its mission, the College will provide access, within its available resources, to:

- Career technical/workforce programs up to two years in length leading to associate degrees or certificates;
- Career technical/workforce programs leading directly to employment in semi-skilled and skilled occupations;
- Freshman and sophomore courses in arts and sciences, including the new core and field of study curricula leading to associate and baccalaureate degrees;
- Ongoing adult education programs for occupational upgrading or personal enrichment;
- Compensatory education programs designed to fulfill the commitment of an admissions policy allowing the enrollment of disadvantaged students;
- A continuing program of counseling and guidance designed to assist students in achieving their individual educational goals;
- Career technical/workforce development programs designed to meet local and statewide needs;
- Support services for educational programs and college-related activities;
- Adult literacy and other basic skills programs for adults; and
- Such other programs as may be prescribed by the Texas Higher Education Coordinating Board or local governing boards in the best interest of postsecondary education in Texas.

Approved by College Effectiveness Committee September 25, 2015

Officially approved and adopted by the Board of Trustees on October 21, 2015

Vernon College

Primary Goals for 2016-2020

- The overall medium or long term goals of an institution.
- A primary goal forms part of an institution’s strategy, and should act as a motivating force as well as a measure of performance and achievement for those working in an organization.
- Vernon College’s Primary Goals will be aligned with the Southern Association of Colleges and Schools Commission on Colleges compliance criteria.
- They will be reviewed annually by the College Effectiveness Committee and every 5 years by internal and external constituents, administration, and the Board.

1. Vernon College will operate with integrity to ensure the fulfillment of its mission through structures and processes that involve the Board of Trustees, administration, faculty, staff, and students. (programs, policies, procedures, processes and practices)

2. Vernon College will allocate resources and implement processes for evaluation and planning to support the mission of the institution and the scope of its programs and services, as well as to respond to future challenges and opportunities. (Institutional effectiveness – planning and assessment)

3. Vernon College will identify expected outcomes, assess the extent to which it achieves these outcomes, and provide evidence of improvement based on analysis of the results of educational programs, administrative support services, educational support services and community/public service within its educational mission. (planning and assessment including student learning outcomes)

4. Vernon College will promote a life of learning for its faculty, administration, staff, and students by fostering and supporting inquiry, creativity, practice, and social responsibility in ways consistent with its mission. (professional development, QEP, student engagement, continuing education, community outreach)

5. As called for by its mission, Vernon College will identify its constituencies and serve them in ways both value. (meet the needs of our service area)

### Institutional Advancement

**Objective #1:** Respond to College funding needs through various fundraising methods.

**Actions:**

1. Enhance existing philanthropy efforts and, utilizing the Raiser's Edge (RE) software, design and implement various segmented philanthropy programs such as annual giving, major and leadership gifts, planned giving, and grant programs.
2. Implement on-line giving through the Vernon College website.
3. Research federal, private funder, and state grant programs to determine viability for Vernon College support. Send information to the Dean of Instructional Services for dissemination to the faculty that may be interested in pursuing a grant and contact support service components of the College about potential grant opportunities.
4. Work with faculty and staff to prepare and submit proposals to public and private funding agencies.
5. Develop new scholarship opportunities, both endowed and non-endowed, and continue to work with the donors of the “building” endowed scholarships (those under the $10,000 minimum threshold) to bring the funds either to the minimum award level or incorporate those funds into another fund so that awards can be made.
6. Once all old giving records are in RE, review, revise, and relaunch the annual giving clubs and aggregate giving societies including a Heritage Club to recognize those who have included the College and/or the Foundation in their estate plans.
7. Using RE, identify donors by lifetime giving and launch a new presidential-level annual event to recognize lifetime giving and planned gift donors. This event will excite the donors who will be honored as well as serve as a cultivation event to encourage current aggregate donors to “move up” to the next society as well as encourage other donors and prospects to increase their giving so that they can be “inducted” into a lifetime giving society.
8. Continue to participate in the Council for Resource Development Federal Funding Task Force and the Annual Conference to develop relationships with Federal agencies on behalf of Vernon College, to gather the most up-to-date information about grant opportunities, and to build a network of colleagues that may facilitate grant collaboration.
9. Participate in the TACCF Annual Conference.
10. Attend and participate in the annual National Council for Marketing and Public Relations (NCMPR) Conference to network with marketing and webmaster colleagues and learn about the most up-to-date techniques and strategies to benefit Vernon College.
11. Keep all software licenses current to ensure that the most advanced technology to benefit our students and the College as a whole is being utilized.
12. Research additional software tools and evaluate for potential implementation to enhance Institutional Advancement efforts on behalf of the College and Foundation.
13. Research and build an extensive alumni base that through contact such as the Ex-Students e-newsletter, alumni events, and social media can be cultivated into donors. Making them aware of scholarship support opportunities and current and future needs of the College.
14. Work with the President, the Dean and Associate Dean of Instructional Services to encourage faculty and staff participation in grant writing on behalf of their programs and/or professional development opportunities.
15. Continue to build support for the Vernon College Foundation Annual Auction.
16. Attend relevant training programs in grantsmanship including grant writing, management, budgeting and evaluation methods.
17. Continue to serve as the Grant Manager for the college's Title III Grant.
18. Hire an **Advancement Specialist -- Grant Developer** to research, coordinate the preparation of, and write grants for the benefit of specific programs and/or the college. This individual will research both private and public grant opportunities as well as develop policies, procedures, and processes specific to grantsmanship. Utilize consulting services in the preparation of major grant proposals as needed. Using the Metasoft Foundation/Corporation Funding software as well as other available grant research tools, research potential foundations and corporations to determine viability for Vernon College support. Send information to the Dean of Instructional Services for dissemination to faculty and initiate contact with support service components of the College about potential grant opportunities. Knowledge of grant guidelines and federal regulations about grants.

**President/Effectiveness**

2. Form action committee and access need

Objective #4: Explore Business Continuity for VC Critical Applications/Servers

Actions:
1. Engage respective vendors and explore options for high availability and business continuity during a disaster

Objective #5: Leveraging Office365 for Students

Actions:
1. Form committee to evaluate ways the Office365 suite for students can be used to more effectively collaborate and educate.

Institutional Advancement

Objective #1: Utilize existing software tools to support College, student, and alumni needs. Research new social media, on-line giving, email marketing and text messaging strategies as needed to benefit Vernon College students and the College as a whole as an aide to recruitment and retention. Continue enhancements to the website and social media as the primary “information source” for the College.

Actions:
1. Hire an Advancement Specialist -- Grant Developer to research, coordinate the preparation of, and write grants for the benefit of specific programs and/or the college. This individual will research both private and public grant opportunities as well as develop policies, procedures, and processes specific to grantsmanship. Utilize consulting services in the preparation of major grant proposals as needed. Using the Metasoft Foundation/Corporation Funding software as well as other available grant research tools, research potential foundations and corporations to determine viability for Vernon College support. Send information to the Dean of Instructional Services for dissemination to faculty and initiate contact with support service components of the College about potential grant opportunities. Knowledge of grant guidelines and federal regulations about grants.
2. Enhance existing philanthropy efforts and, utilizing the Raiser’s Edge (RE) software, design and implement various segmented philanthropy programs such as annual giving, major and leadership gift, planned giving, and grant programs.
3. Using the Metasoft Foundation/Corporation Funding software, research potential foundations and corporations to determine viability for Vernon College support.
4. Keep all software licenses current to ensure that the most advanced technology to benefit our students and the College as a whole if being utilized.
5. Research additional software, technology, on-line giving tools and evaluate for potential implementation to enhance Institutional Advancement efforts on behalf of the College and Foundation.
6. Assist faculty and staff with the preparation and submission of proposals to public and private funding agencies. Private funders will be researched through the Metasoft funding search software. Public funders will be researched through various search engines such as grants.gov.
7. Assist students with the completion of their AwardSpring applications.
8. Utilize targeted marketing strategies such as press releases, letters, social media, recruiting emails and postcards to service area high schools to promote county- and high school graduate-restricted scholarships in those counties and high schools.
9. Attend training sessions about website development to increase awareness of new technologies and assist in the continued enhancement to the College’s website.
10. Utilize Mail Chimp to keep in touch with current and prospective students and alumni.

President/Effectiveness

**Objective #1:** The College will utilize assessment data and planning information from all components of the institution to develop an Annual Technology Action Plan.

**Actions:**
1. Monitor and ensure that Assessment and Planning calendars are followed
2. Ensure production of Annual Technology Action Plan
3. Review IT Management Annual Report

**Objective #2:** The College will utilize assessment data and planning information from all components of the institution to develop a three to five year technology plan. The plan will include infrastructure needs as well as a well-defined PC replenishment plan.

**Actions:**
1. Require each component of the College to submit a three to five year plan

**Objective #3:** The College will support the technology infrastructure through appropriate resources allocation decisions.

**Actions:**
1. Ensure development of a Technology Plan
2. Monitor and ensure budget development
3. Continue utilization of third party IT vendor to ensure successful IT infrastructure and operations
4. Review IT Management Annual Report
5. Implementation of new ERP/SS including all infrastructure requirements

**Objective #4:** Maintain and enhance technology infrastructure of the President’s Office

**Actions:**
1. Maintain hardware and software inventory, and anticipated replacement rotation list
2. Monitor and ensure budget development for efficient purchasing
### Quality Enhancement – Division of Institutional Effectiveness

**Objective #1:** Ensure the viability of educational technologies through the Quality Enhancement Resource Inventory (QERI).

**Actions:**
1. Chair Technology Committee.
2. Review and update the charge of the Technology Committee as needed.
3. Implement a Technology Request Process to ensure communication across departments, appropriate timeline for project completion, and availability of training and support.
4. Provide training and support to end users through appropriate resources.

2. Participate in vendor meetings and demonstrations for the new ERP SIS.
3. Fully participate in migration and implementation of the new ERP SIS by assuring that Student Services staff have 100% attendance at all trainings.

### Priority Initiative #8:

**Develop processes for fundraising and alumni to better support the College’s needs through more external funding and the building of a strong alumni base.**

### Athletics

**Objective #1:** Discuss fundraising possibilities for each sport in an attempt to increase external funding from multiple sources.

**Actions:**
1. Identify and access new fundraising partners/resources.
2. Investigate development of alumni booster groups for each sport.
3. Coaches will develop individualized fundraising plans.
Objective #1: Respond to College funding needs through various fundraising methods.

Actions:
1. Enhance existing philanthropy efforts and, utilizing the Raiser's Edge (RE) software, design and implement various segmented philanthropy programs such as annual giving, major and leadership gifts, planned giving, and grant programs.
2. Implement on-line giving through the Vernon College website.
3. Research federal, private funder, and state grant programs to determine viability for Vernon College support. Send information to the Dean of Instructional Services for dissemination to the faculty that may be interested in pursuing a grant and contact support service components of the College about potential grant opportunities.
4. Work with faculty and staff to prepare and submit proposals to public and private funding agencies.
5. Develop new scholarship opportunities, both endowed and non-endowed, and continue to work with the donors of the “building” endowed scholarships (those under the $10,000 minimum threshold) to bring the funds either to the minimum award level or incorporate those funds into another fund so that awards can be made.
6. Once all old giving records are in RE, review, revise, and relaunch the annual giving clubs and aggregate giving societies including a Heritage Club to recognize those who have included the College and/or the Foundation in their estate plans.
7. Using RE, identify donors by lifetime giving and launch a new presidential-level annual event to recognize lifetime giving and planned gift donors. This event will excite the donors who will be honored as well as serve as a cultivation event to encourage current aggregate donors to “move up” to the next society as well as encourage other donors and prospects to increase their giving so that they can be “inducted” into a lifetime giving society.
8. Continue to participate in the Council for Resource Development Federal Funding Task Force and the Annual Conference to develop relationships with Federal agencies on behalf of Vernon College, to gather the most up-to-date information about grant opportunities, and to build a network of colleagues that may facilitate grant collaboration.
9. Participate in the TACCF Annual Conference.
10. Attend and participate in the annual National Council for Marketing and Public Relations (NCMPR) Conference to network with marketing and webmaster colleagues and learn about the most up-to-date techniques and strategies to benefit Vernon College.

12. Research additional software tools and evaluate for potential implementation to enhance Institutional Advancement efforts on behalf of the College and Foundation.
13. Research and build an extensive alumni base that through contact such as the Ex-Students e-newsletter, alumni events, and social media can be cultivated into donors. Making them aware of scholarship support opportunities and current and future needs of the College.
14. Work with the President, the Dean and Associate Dean of Instructional Services to encourage faculty and staff participation in grant writing on behalf of their programs and/or professional development opportunities.
15. Continue to build support for the Vernon College Foundation Annual Auction.
16. Attend relevant training programs in grantsmanship including grant writing, management, budgeting and evaluation methods.
17. Continue to serve as the Grant Manager for the college's Title III Grant.
18. Hire an **Advancement Specialist -- Grant Developer** to research, coordinate the preparation of, and write grants for the benefit of specific programs and/or the college. This individual will research both private and public grant opportunities as well as develop policies, procedures, and processes specific to grantsmanship. Utilize consulting services in the preparation of major grant proposals as needed. Using the Metasoft Foundation/Corporation Funding software as well as other available grant research tools, research potential foundations and corporations to determine viability for Vernon College support. Send information to the Dean of Instructional Services for dissemination to faculty and initiate contact with support service components of the College about potential grant opportunities. Knowledge of grant guidelines and federal regulations about grants.

**Objective #2:** Continue to develop an active Ex-Students Association that will increase alumni awareness about the College and the Foundation, participation in events, and philanthropic support.

**Actions:**
1. Create a culture of ownership among alumni/ex-students in support of Vernon College.
2. Research old student files in the college database, microfilm, other archival and public records to add the relevant information to the Raiser’s Edge (RE) database using Prospect Research best practice methodologies.
3. Contract with Blackbaud Target Analytics as needed or at least every 2 years to secure current alumni address, email, and telephone information.
4. Utilize social networking media and other technological tools to maintain contact with identified alumni and as a recruiting vehicle for the Vernon College Ex-Students Association.
5. Using segmentation through the RE database, develop and implement affinity group alumni annual events such as the program specific and athletic team events.
