2010-2011

Title: Romona Vaughan, Tech Prep Director Date of completion: 12-15-10

Please circle: **Assessment Activity** **Report** **Both**

Highlights of data:

Tech Prep has made school visits to: City View, Quanah, Paducah, Crowell, Harrold, Chillicothe, Vernon High School and Middle School, Northside, Electra, Iowa Park, Hirschi, Wichita Falls High School, Rider High School, Throckmorton, Munday, Seymour, Olney, Bellevue, Carrigan Career Center at WFISD, Archer City, Windthorst, Petrolia, Byers, Henrietta, Midway, and Burkburnett. Visits included technical assistance for Tech Prep and presentation to students. Tech Prep hosted 3 Cluster Meetings. One for Administrative Office Technology and Computer & Information Science, one for Child Development, and one for Farm and Ranch Management and Welding. Tech Prep and other partners held the Transition Fair, which is a career fair for special education students only at MSU. Business partners, special education entities, and educational organizations presented to approximately 300 students, parents, and educators on careers for their future. Two Tech Prep and Vernon College Career Days were held with 402 students attending from 28 schools. Hands on activities were provided students in Tech Prep program areas. PEIMS presentations at each school were made and two PEIMS presentations were made at Region 9 ESC. It was to help school understand how to code PEIMS 2's and 3's. Tech Prep and Vernon College hosted the 8th Grade Career Safari at the Multi-Purpose Events Center in Wichita Falls. There were hands on demonstrations and student participation in 19 careers with students picking 6 sessions to attend. There were 1,119 students in attendance from 24 schools. This is an excellent activity to show students Tech Prep careers before they enrolled for their high school courses. The Tech Prep Regional Conference was held December 7, 2010 at the Region 9 ESC. There were approximately 120 in attendance with a keynote presenter and 20 breakout sessions. The lunch program was given by Tech Prep students. Tech Prep was part of two College Career Fairs, one in Graham and one in Wichita Falls at Region 9. Tech Prep conducted the Reality Check for Vernon Middle school with 150 students.

Use of data:

There were 1,654 seniors in the Tech Prep CATEMA system that records students in articulated courses at ISD's. Of the 1,654 students in CATEMA as of May, 2010, in September, 2010, 778 were enrolled at Vernon College which makes 47% of the seniors in a Tech Prep classes were enrolled at Vernon College. Other data were numbers of students and schools in various activities. This data is provided the Texas Higher Education Coordinating Board in quarterly reports.
