Highlights of data:

The Texas Higher Education Accountability System can be found at <http://www.txhighereddata.org/Interactive/Accountability/>. Content of the interactive report includes Participation, Success, Excellence, Institutional Efficiency and Effectiveness, and Milestones. The most current information available on the report is for FY 2010. The report is a compilation of information submitted to the THECB through CBM reports.

Use of data:

The Higher Education Accountability System is used to track performance on critical measures that exemplify higher education institutions' missions. The System is modeled on the state's higher education plan, [Closing the Gaps by 2015](#). Its major focus is on the four *Closing the Gaps* target areas of participation, success, excellence and research. Vernon College uses the report for year to year comparisons and benchmarking with peer institutions. The report data is also a major source for the Vernon College Key Performance Indicators of Accountability.
