

Summary of Evaluation Results and Recommendations Made by the 2010-2011 Program/Discipline Evaluation Task Force

After a careful review of the materials submitted for evaluation, the task force recommends:

1. That the following programs/disciplines be discontinued (sunset/deactivated):

Programs:

Criminal Justice

2. That the following programs/disciplines be placed on probation until the program/discipline enrollment meets the minimum standards and all identified weaknesses have been addressed and remedied:

Programs:

Administrative Office Technology

Automotive

3. That the following programs/disciplines be continued without probation once they have addressed any identified weaknesses:

Disciplines:

Criminal Justice

Economics

Sociology

Programs:

Basic Law Enforcement Academy

Business Management

Computer and Information Sciences

Emergency Medical Services

Machining

Welding

The task force also recommends that the evaluation form be reviewed and revised as needed prior to the next evaluation cycle.
