### Highlights of data:

83 participants responded to the survey. The top 3 "favorite" activities were Halloween Dance, Bingo, and Casino Night. 82 of 83 respondents indicated that Vernon College provided adequate student activities and that they were satisfied with the student activities.

### Use of data:

This data shows us which events we definitely want to keep for next year and which events we can look at eliminating and replacing with other activities.

### How associated to Student Success?

Student Activities help students stay engaged on campus and create peer groups and peer interaction outside the classroom. Planned Student Activities also provide a positive outlet for students to relieve stress and enjoy the campus.
