### Highlights of data:

The King Center usage report shows that the King Center was used 10,868 times during the calendar year by members, students, and their guests. This reflects an increase of 2,302 from the 2011 calendar year. These figures do not include Kids College or Boys and Girls Club usage.

### Use of data:

The facility usage data is analyzed to help with budgeting, determining peak months of usage, course offerings, and facility maintenance.

### How associated to Student Success?

The King Center offers a place for students to be physically active.

Where the report can be found: Anne Patterson's office in the King Center
