

Vernon College

Assessment Activity/Report Communication Form 2012-2013

Title: Student Activities Year End Report **Date of completion: May 28, 2013**

Please circle: **Assessment Activity** **Report** **Both**

Highlights of data: 87 students took the survey. 75 of the 87 respondents reported that they attended all the Student Activity events in the fall semester. Students asked for more karaoke nights, paintball, dodgeball, kickball and more days like sports day.

Use of data: Planning has begun for next year's activities and programming suggestions from students will be incorporated.

How associated to Student Success? Student Activities helps get students involved in the campus community, creates opportunities for students to interact with different social groups, and provides a safe release of academic stressors.

Where the report can be found: Director of Student Activities Office

Submitted by: Sjhonton Fanner, Director of Student Activities **Date: June 24, 2013**
