Both

Highlights of data:

The directors and coordinators of Continuing Education meet to analyze and discuss the enrollments and trends of the 2010-2011 and 2011-2012 year.

Use of data:

The lack of gathering evaluation forms is still a concern. Low producing programs/courses are discussed and whether or not CE needs to continue to offer them.

How associated to Student Success?

If evaluations are not being returned then CE doesn't have a good grasp on the outcome of those classes and what we need to do to revise them and be successful.
