Total 60

\* VC's Associate of Science degree requires three (3) hours of Language Philosophy & Culture and three (3) hours of Mathematics beyond the core requirements for a total of six (6) hours of each. Students whose degree plans of the senior college of their choice require fewer than six (6) hours of sophomore English or fewer than six hours of mathematics, may apply for a VC waiver of three (3) hours of sophomore English and/or mathematics with substitution of appropriate course work upon approval of the Dean of Instructional Services.

# Vernon College's core curriculum requires three (3) semester hours of mathematics. Students whose degree plans of the senior college of their choice require less than six (6) hours of Mathematics may apply for a VC waiver of some of the Mathematics requirements with substitution of appropriate course work upon approval by the Dean of Instructional Services.

^ See Suggested Transfer Curricula section of the *General Catalog*.

**A student cannot use the same course to meet requirements in two areas.**

*This degree plan is from page 81 in the 2016-2017 VC Catalog, students should see page 75 of the 2016-2017 VC Catalog for general degree requirements. This catalog expires and cannot be used for graduation after the end of summer semester, 2021.*
