

Vernon College LVN Program  
Admission Point System Calculation

Selection for admission to the Vocational Nursing Program is based on a point system. You must have taken the HESI A2 Entrance Exam exam in order to be considered for admission into the program. A cumulative score of 70 or better is recommended. Applicants scoring less than 70 on the HESI A2 Entrance Exam will be considered for admission only if positions are available after acceptance of those with the recommended score of 70 or greater.

**A minimum point calculation of 11 is required for program acceptance.**
