Vernon College Associate Degree Nursing Program (ADN)
Admission Point System Calculation (APSC)
Vernon College ADN reserves the right to make changes to this rubric at any time without prior notice.

Selection for admission to the ADN Program is based on a point system. This form is provided for informational purposes only and will be completed by the ADN Admissions Committee. Items recommended and required to be considered for admission to the ADN program are listed below.

TransitionTrack
Required: 2.75 or better GPA, a minimum cumulative score of 70 on the HESI A2 Exam, and a minimum of 52 points on the APSC
Recommended: cumulative score of 78 or better on the HESI A2 and 77 points or better on the APSC (does not guarantee admission)

Generic Track
Required: 2.75 or better GPA, a minimum cumulative score of 70 on the HESI A2 Exam, and a minimum of 44 points on the APSC
Recommended: cumulative score of 78 or better on the HESI A2 and 62 points or better on the APSC (does not guarantee admission)
